NCFCA 2017 POST SEASON AWARDS

AWARD	Name	School
 NCFCA NATIONAL CHAMPIONSHIP BOWL GAME MVP	Jordan James	Sacred Heart
	<p>Jordan was consistent offense for the Pioneers in the NCFCA National Championship Bowl Game. He scored the go ahead touchdown late in the 4th quarter and provided Sacred Heart with a go-to-guy mentality, grinding out touch yards on the ground</p>	
 OFFENSIVE PLAYER OF THE YEAR	Willie Marrow	George Mason
	<p>Willie had a standout year for Mason, leading the way for their high flying passing attack. He first gained notoriety in the league for a one handed "Odell" style catch in the NCFCA kickoff classic which got him some love on the NCFCA Facebook group but it was his consistent production that garner him this award. He averaged an astounding 27 yards per catch, totaling over 100 receiving yards in all but one game this season.</p>	
 DEFENSIVE PLAYER OF THE YEAR	Steven O'Connell	Oakland
	<p>Steven has been a standout player for the Oakland program for the last three years, and has been one of the main catalysts for their program success over that span. However in 2017 he put together arguably the best season ever for a NCFCA defensive back. Steven has a mind-blowing 13 interceptions, returning 3 of those for touchdowns. He is versatile enough to cover man to man, or roam the field in zone proving in 2017 the "O'Connell Island" only has room for one.</p>	
 COACH OF THE YEAR	Greg Jones	Sacred Heart
	<p>Former Sacred Heart varsity player Greg Jones, burst onto the NCFCA scene in 2015, leading the Pioneers to a North Atlantic Title. After a tough NAC title game loss in 2016 his drive and players first mentality helped groom the Pioneers into National Champs. His style has proven to work with Sacred Heart sporting a 20-3 record during his three years at the helm. He has set up the Sacred Heart program to be perennial championship contenders</p>	
 TEAM PRESIDENT OF THE YEAR	Allyson Kornberg	Pittsburgh
	<p>Allyson was the driving force behind the creation of the club football program at Pittsburgh and after a winless inaugural 2016 season she was able to get the first two victories in the history of the program and she was a catalyst for the NCFCA Kickoff Classic being held at the new indoor facility at Pitt.</p>	
 CONFERENCE COORDINATOR OF THE YEAR	Rachel Weber	South Atlantic
	<p>Rachel is well known in the NCFCA circles as someone who wears multiple hats, from team development and communication, blasting messages on the NCFCA social media, and setting up all the league broadcasts, but she also began serving as the South Atlantic conference coordinator, helping with a smooth transition for first year UFTL and leading that conference to a fulfilling and exciting season</p>
