NCSA Player Spotlight

Ciara Mislan
 School: Penn State University | Class of 2016
 Hometown: Cranberry Twp, PA
 Nickname: "C" or "C-Miz"
 Position: Outfield

What is your earliest memory of playing softball?

Besides tee-ball, my first memory of softball was playing slowpitch at age seven or eight. I played shortstop in my early years, but found that outfield was fun and a good fit for me once I got into middle school.

Who is your biggest influence when it comes to softball?

It has always been my dad. He coached my teams every year since I started playing and I could not be more thankful for all he has done for me.

What makes Penn State Club Softball special to you?

We are truly a family on and off the field! I think our heart and dedication show in how well we have competed with the top-ranked teams across the nation, and the fact that we are all student-run shows a lot about our leadership and ability to work as a team.

Player Spotlight

Jordan Miller
 School: Truman State University | Class of 2017
 Hometown: Dutzow, MO
 Position: Point Guard

What made you want to play Club Basketball?

Basketball is a lifestyle. Also, half the team is from my high school so I already knew the guys and got along with them. It was an easy decision.

What athlete has been most influential in your game?

Allen Iverson - with his dirty crossover and the fact that he was a small point guard but played like he was 6'5".

What warm-up music is on your iPod?

"300" - Violin Orchestra, "Fireman" by Lil Wayne and "I Just Want It All" by Kid Ink.

If LeBron and Michael Jordan went 1-on-1, who wins?

Michael Jordan. Not only because he went to UNC, but because he is one of the greatest shooters to play and just had raw talent.
