Attention Club Football Enthusiasts,

The first pass has been thrown, the first touchdown scored, and several QBs sacked. That's right; the 2010 NCFA season is well underway. While New Orleans and Maine battle neck and neck for the top spot in the NCFA Coaches Poll, everyone has their sights set on the first ever NCFA National Title. But the teams aren't the only ones who are working hard during this inaugural NCFA season. The NCFA staff has been working diligently to make sure the NCFA hits the ground running to ensure a strong future for this growing club football league.

Now it is time to look to the future of our growing league. This letter is to serve as a formal invitation to the 1st annual meeting of the National Club Football Association. We are inviting representatives from all current and future NCFA member teams to attend this meeting and speak on your teams' behalf. The meeting will provide an opportunity for everyone in attendance to network with the leaders of other club football organizations, learn more about the history of CollClubSports and future of the NCFA, ask questions, and voice your opinions on the operation of the league. The annual league meeting is your opportunity to learn about the latest Hot Stove happenings around the league, and to provide your much-needed input to assure that the league is headed in the right direction. Be sure that your team is not left out of these important discussions.

The first portion of the meeting will be focused on reviewing the 2010 NCFA Season. We plan to discuss the positives and negatives of our inaugural season and where improvements can be made. The next segment will be focused on the 2011 Season specifically regarding league membership growth and the all important future plan for a National Championship Bowl Game. The CollClubSports Marketing Department will then present all the fundraising/sponsorship benefits currently available to NCFA member teams as well as some new equipment/sponsorship deals we have in the pipeline. Finally, we'll get in to the all important discussion of the NCFA rule book. We'll look at the rules as they currently are laid out and discuss what needs to be added, deleted, or amended. This is a very important part of the meeting as this is your team's opportunity to have your opinions heard and your vote counted as it is always our goal to build the league in the best interests of our member teams. Of course throughout the meeting, you will also have the opportunity to ask any questions that you might have, and to bring up any issues that you feel need to be addressed.

After polling all the NCFA teams as to when they would like the annual league meeting to be held, it was determined it would be held at the NCFA offices in late January. Thus, this year's meeting will be held on Saturday, January 29th, 2011 at 1:00 pm at the NCFA Headquarters (850 Ridge Ave Pittsburgh, PA 15212). Dinner will be provided to those in attendance at the meeting. Following the
