Morgantown, WV. – September 15, 2013 – Fat Daddy's Bar & Grill will serve as the Official Host Restaurant of the National Club Football Association's Morgantown Showdown in this coming weekend. Fat Daddy's, which is one of the more popular sports bars in Morgantown, will no doubt enhance the experience for the players visiting the area.

“The decision to go with Fat Daddy's was an easy one,” said NCFA Conference Coordinator Chris Girardi. “In addition to being such a popular and accommodating bar and restaurant, it is also located in the heart of Morgantown, West Virginia, which makes Fat Daddy's a perfect fit for the event.”

Fat Daddy's is located in Downtown Morgantown, just a few blocks away from the Clarion Hotel Morgan so there's no need to call a cab to get to all of the action. Teams that visit will be able to watch the action on the big screens, play arcade games, and have full access to their All You Can Eat Buffet! The buffet items include: wings, boneless wings, baked ziti, mac and cheese, chicken and broccoli stir fry with white rice, tater tots, fries, quesadillas, meat balls, corn dogs, buffalo dip, fresh chips and ranch, and chicken pesto.

Fat Daddy's will be offering a discounted meal price of just \$5.00 for the A.Y.C.E buffet for players, friends, and families that mention they are with “The Morgantown Showdown”! All players will have access to this great venue from open till close and players that are under 21 will be permitted to stay until midnight.
