Attention Club Football Enthusiasts,

The coin was tossed, the ball was kicked, the fans cheered, the teams scored, the whistle blew, and the trophy was hoisted. That's right the NCFA's 4th season is in the books and Coppin State was able to successfully defend their National Title from just a year ago.

Now it is time to look to the future of our growing league. This letter is to serve as a formal invitation to the 4th annual meeting of the National Club Football Association. We are inviting up to three representatives from all current and future NCFA member teams to attend this meeting and speak on your teams' behalf. We recommend that two of the three representatives be student leaders. The meeting will provide an opportunity for everyone in attendance to network with the leaders of other club football organizations, learn more about the history of CollClubSports and future of the NCFA, ask questions, and voice your opinions on the operation of the league. The annual league meeting is your opportunity to learn about the latest Hot Stove happenings around the league, and to provide your much-needed input to assure that the league is headed in the right direction. Be sure that your team is not left out of these important discussions.

The first portion of the meeting will be focused on reviewing the 2013 NCFA Season. We plan to discuss the positives and negatives of our 4th season and where improvements can be made. The next segment will be focused on the 2014 Season specifically regarding league membership growth and the all important future plans for the National Championship Bowl Game, Conference Championship Games, and the future playoff system. The CollClubSports Marketing Department will then present all the fundraising/sponsorship benefits currently available to NCFA member teams as well as some new equipment/sponsorship deals we have in the pipeline. Finally, we'll get in to the all important discussion of the NCFA rule book. We'll look at the rules as they currently are laid out and discuss what needs to be added, deleted, or amended. This is a very important part of the meeting as this is your team's opportunity to have your opinions heard and your vote counted as it is always our goal to build the league in the best interests of our member teams. Of course throughout the meeting, you will also have the opportunity to ask any questions that you might have, and to bring up any issues that you feel need to be addressed.

After three very successful league meetings held the weekend before the Super Bowl, it was obvious that this time frame worked out well for everyone. Thus, this year's meeting will be held on Saturday, January 25th, 2014 at 1:00 pm at the NCFA Headquarters (850 Ridge Ave Pittsburgh, PA 15212). Dinner will be provided to those in attendance at the meeting. Following the meeting, all in
