Attention Club Football Enthusiasts,

The regular season is in the rear view mirror and the Conference Championships and National Championship Bowl are literally just a few days away. That's right the NCFA's 5th season is nearly in the books. Will a new champion be crowned or can Coppin State get back to Salem to defend their back to back titles?

Now it is time to look to the future of our growing league. This letter is to serve as a formal invitation to the 5th annual meeting of the National Club Football Association. We are inviting up to three representatives from all current and future NCFA member teams to attend this meeting and speak on your teams' behalf. We recommend that two of the three representatives be student leaders. The meeting will provide an opportunity for everyone in attendance to network with the leaders of other club football organizations, learn more about the history of CollClubSports and future of the NCFA, ask questions, and voice your opinions on the operation of the league. The annual league meeting is your opportunity to learn about the latest Hot Stove happenings around the league, and to provide your much-needed input to assure that the league is headed in the right direction. Be sure that your team is not left out of these important discussions.

The first portion of the meeting will be focused on reviewing the 2014 NCFA Season. We plan to discuss the positives and negatives of our 5th season and where improvements can be made. The next segment will be focused on the 2015 Season specifically regarding league membership growth and the all important future plans for the National Championship Bowl Game, Conference Championship Games, and the first ever playoff weekend scheduled to commence during the 2015 season. The CollClubSports Marketing Department will then present all the fundraising/sponsorship benefits currently available to NCFA member teams as well as some new equipment/sponsorship deals we have in the pipeline. Finally, we'll get in to the all important discussion of the NCFA rule book. We'll look at the rules as they currently are laid out and discuss what needs to be added, deleted, or amended. This is a very important part of the meeting as this is your team's opportunity to have your opinions heard and your vote counted as it is always our goal to build the league in the best interests of our member teams. Of course throughout the meeting, you will also have the opportunity to ask any questions that you might have, and to bring up any issues that you feel need to be addressed.

After four very successful league meetings held the weekend before the Super Bowl, it was obvious that this time frame worked out well for everyone. Thus, this year's meeting will be held on Saturday, January 24th, 2015 at 1:00 pm at the NCFA Headquarters (850 Ridge Ave Pittsburgh, PA 15212). Dinner will be provided to those in attendance at the meeting. Following the meeting, all in
