

ABOUT US

We started Campus Sponsorship to help organizations like yours raise extra money without doing a ton of work. Each day, big companies waste billions of dollars trying to get your attention with advertisements that annoy you. On Campus Sponsorship, we get those companies to use that money in a better way – by donating it to you guys! In return, you spend a little time completing fun sponsored activities like a Nike crossword puzzle or watching and rating an MTV video.

FALL FUNDRAISING PREVIEW

We'd like to invite you to join our Zoomerang Sponsorship Campaign, starting in October. This campaign is a preview of the Campus Sponsorship platform for a select number of groups. During this preview Zoomerang will be donating more than \$8,000 to clubs like yours. Just remember this is only a preview, and there will be more money available when we officially launch in the spring!

MAXIMIZE YOUR FUNDRAISING POWER

The trick to maximizing the amount of money you can raise is getting all of your team members signed up as supporters on your Campus Sponsorship page, and have them share it with their own friends through email and Facebook.
