

Keeping the Dream Alive

August 21, 2009

CollClubSports is excited to announce that My Sports Dreams has re-signed as an Official Fundraising Sponsor of the NCBA, the NCSA, and has now added the NCFA as well! Brand new for this year is the introduction of the [\\$250,000 NCBA Challenge](#), the [\\$150,000 NCSA Challenge](#), and the [\\$100,000 NCFA Challenge](#). To learn more about any of these new promotions, simply click on the link.

Countless NCBA and NCSA teams have benefitted from the services of My Sports Dreams over the last five years. Now, with the recently signed one-year contract extension, many more CollClubSports teams can take advantage of this simple yet rewarding program that has made My Sports Dreams the nation's leading sports fundraiser.

Appalachian State is one of many NCBA teams that has had a lot of success with this fundraiser. "Our team earned over \$4,500. The program is very well run, and does not require much effort," said Appalachian State president Bryan Holbrook. "In less than a week, donations came pouring in for our club. In fact, some days I was getting 10-12 checks in the mail. I would strongly encourage you to take advantage of this program."

Their proven system takes about **20 minutes** for you and your athletes, there's **no selling** involved because it's done all through the mail, there's **zero upfront fees** and you are **guaranteed to earn a profit**. Best of all, it really works!

If your club could use some extra cash for any reason (new uniforms, travel costs, spring break trip, etc.), contact **Steve Byrnes**, College Club Director at My Sports Dreams today: **800-376-5988 x 318**. It only takes five minutes for him to explain the program and there's no obligation to call and no upfront fee. Or, Email Steve@MySportsDreams.com with your phone number and the best time he can reach you. To learn more about their proven fundraiser, go to www.CollegeClubFundraiser.org.

Good luck!
