

## CollClubSports Partners with “Sponsored By Anything”

**Sponsored By:  
Anything**

CollClubSports is excited to announce that an Official Fundraising Partnership has been reached with Sponsored By Anything® clothing company. Sponsored By Anything® was started by a former club baseball player who knows first-hand the importance of fundraising. As a result, Sponsored By Anything® wants to provide current club teams the opportunity to raise money to lessen the burden of expenses year-in and year-out.

### About Sponsored By Anything®

Sponsored By Anything® is a clothing company for everyone.

At [www.sponsoredbyanything.com](http://www.sponsoredbyanything.com), you “Tell The World What You Are Sponsored By.” Tell the world what you are passionate about by typing a slogan that is unique to you on our modern and amazingly soft shirts. ### Fundraising Opportunity from Sponsored By Anything®

As a prior Club Baseball player (Penn State Baseball Club 1997-2000), I realize how difficult it is to raise money. As a result, I want to present each club team with an opportunity to raise money for their team in a fun and lucrative manner. Club team members will sell Sponsored By:® shirts and will be paid a monthly commission.
