All styles provide an unmatched customizable look...In addition to the regular uniforms, Phenom Elite offers a wide range of custom team apparel options, including but not limited to: compression shirts, compression tights, team warm up jackets, travel pants, performance shorts, and hoodies," says Dorton. Phenom Elite has done work for several professional arena football teams, international football teams, high schools and various club organizations, and are excited to work with the NCFA. "We believe our quality and customization options will help build the brand of the NCFA member teams," Dorton proclaims.
