Breaking: NCFA National Championship Returns to Wheeling, WV

Pittsburgh, Pennsylvania -- The NCFA is excited to announce the location of the 2018 National Championship game. The final two teams will battle it out for the trophy at West Family Stadium at West Liberty University in Wheeling, West Virginia. The game will take place on December 1st, 2018 at 3:00 PM ET. Sacred Heart University took home the trophy in 2017, and look to do the same this year.

“We are very excited to be once again sponsoring the NCFA championship game, held at the beautiful West Family Stadium at West Liberty University,” said Olivia Litman, Visit Wheeling Marketing Director. “This game brings attention to our wonderful destination for those visiting and also gives our residence a great game to watch. Good luck this year and we look forward to every year in the future.”

Equipped with a 4,000 capacity grandstand, a MondoTurf field, locker rooms, and a large press box, West Family Stadium is the perfect place to host the championship game once again.

“The atmosphere for past games here has been spectacular. This is the perfect environment for our National Championship game, and we’re extremely glad to be having another great event at one of the best NCAA Division II stadiums around,” said Sandy Sanderson, President of the NCFA.
